EVENTS

Events at The Range

Adjacent to Skeeter's Ice Rink and with stunning views of Steamboat Resort, The Range Food & Drink Hall has the feel of an indoor/outdoor lunch and après lounge with a bar on each of the two levels, along with a fittingly wide range of cuisine options to meet everyone's palate.

Events at The Range feature a menu carefully designed from each of our four dining options; Twister Tacos with street-style tacos, Sunshine Bowl with hearty ramen bowls, Pioneer Pies with house made pizza, and Why Not Sandwich Shop with fresh salads and sandwiches. If you are familiar with Steamboat Ski Area, you will notice the clever tie-in with the names of each dining options, named after several trails and locations across the resort.

This is the perfect spot for your casual get together in a sleek mountain contemporary establishment.

Venue Specifications

At the Range we work off of a Food & Beverage minimum, the amount we contract to be spent on the food and bar. There is an additional unique site fee associated with events at The Range. All minimums and site fees are non-inclusive of taxes and service charges.

DOING GOOD **IT'S IN OUR NATURE**

Sustainability

At the Steamboat Resort and The Steamboat Grand Hotel we believe it is our privilege to promote practices that help support the wellbeing of our planet and community. We want our beautiful Yampa Valley to stay healthy and vibrant and are supporting that mission through a variety of initiatives.

- Reducing and diverting waste from the landfill is a key priority for our sustainability efforts at the resort.
- Our restaurants, bars and conference spaces use reusable cutlery and tableware whenever possible. They also prohibit the use of plastic straws and provide paper straws upon request.
- Starting the winter of 2021/22, Steamboat Resort and The Steamboat Grand eliminated using and selling single use plastic bottles. In all of our mountain lodges and throughout the Steamboat Grand, there are water filling stations with reusable glassware. In addition, food courts and retail outlets only sell beverages in more sustainable aluminum cans. Recycling receptacles can be found throughout the Resort, hotel, back-of the house locations and in administrative offices.
- Housekeeping at the Grand has replaced all single-use plastic containers for shampoo and conditioner, replacing them with bulk dispensers, eliminating hundreds of thousands of shampoo and conditioner bottles, annually.

For the full scope of Steamboat Resort and The Steamboat Grand sustainability and community support efforts please visit Steamboat.com/Doinggood.
